Mr. Samuel W. Cashwan
1306 E. Jefferson Street
Detroit, Mich.

Dear Sir:

In accordance with our custom of many years' standing, the Medallio Art Company has offered to strike for the collection of our Museum, copies of medals made by them during the past two years, provided we can obtain permission from the artists or owners of the copyrights of the medals, to have this done. These medals take their place along with our other exhibited material, and as we are planning to give them considerable prominence in the recently completed addition to our Museum, I am writing to ask whether you would be willing to grant to us permission to have the medal designed by you for the Detroit Chapter, American Institute of Architects, struck for this purpose?

Trusting that our request may receive your favorable consideration, I am,

Very truly yours,

Sydney P. Noe
Secretary.

*Shall be very pleased
to have one of my
medals on display
at your Museum. Very sincerely
S. Cashwan*
